How to revise for the Year 7 German Exam

Listening Skills

- Make sure that you have a vocabulary list or record that covers each unit included in Kapitel 1.
- Ask someone to read out words and phrases from the vocabulary list and test yourself – can you write the English? Can you write in German?
- Build up your personal vocabulary by learning a small number of new words every day and get someone to test you or use Quizlet.
- Listen to and learn the pronunciation of the German alphabet by either accessing a language website or on you tube German alphabet.
- Ask someone to spell words in German for you to write down and test yourself.

In the exam:

- Take a positive approach to your listening. Concentrate on what you can understand, not on difficult words and phrases.
- Listen to the excerpt before attempting to answer any questions but try to make notes as you go.

Writing Skills

- Students will be expected to write about themselves and what they have in their schoolbag based on vocabulary in Kapitel 1 Logo 1.
- Start practising writing sentences about yourself (name, age, where you live, birthday, what you got in your schoolbag).
- Do a mini test practise and get someone at home to test you and write out sentences with no help!
- Make sure you know structures after saying: “ich habe
- Revise punctuation. How many of these can you use accurately? . , ? ! : ; “ .
- Check you know your vocabulary for Kapitel 1 to help you with the translation.
- To help with translation and for general revision, go back in your Logo workbook and work again through all tasks; try to translate some of the longer passages.
- When you translate, make sure what you have written makes sense in English.
- Now translate it back into German and check with your workbook.
