Staff Acceptable Use Policy**

Chesterton Community College | Staff Acceptable Use Policy

Aim:

The College is committed to harnessing the power of technology to support teaching and lifelong learning and to ensure that members of the Chesterton community receive the best service in a safe environment.

Use of technology and the Colleges resources, including Internet use and access, is considered a College resource and privilege. Therefore, if the College Acceptable Use Policy is not adhered to this privilege will be withdrawn and appropriate sanctions – as outlined in the AUP – will be imposed.

Before signing, the AUP should be read carefully to ensure that the conditions of use are accepted and understood.

BY USING THE COLLEGE RESOURCES YOU ARE AGREEING TO THIS POLICY.

Our Principles:

- Helping students develop lifelong learning skills and autonomy in their learning
- Ensuring equity of access to resources for all
- Supporting high standards in teaching and learning
- Ensuring safety and security

Health and Safety:

The College is committed to the highest standards of health and safety procedures and practices while using technology.

Internet:

The College believes the Internet is a powerful tool, which, if used safely, will greatly enhance teaching, learning and the productivity of the College community.

The school e-safety policy outlines school policies with regard to internet usage and the mechanisms in place to protect all stakeholders.

Additional Policies:

The use of technology is also covered in, but is not limited to, the eSafety, the Health and Safety, Child Protection, Behaviour, Teaching and Learning and Homework policies.

Use of school based equipment

When using the school's ICT equipment and other information systems, I have understood and will comply with the following statements:

- I will access the internet and other ICT systems using an individual username and password, which I will keep secure. I will ensure that I log out after each session and never allow other users to access the internet using my username and password. I will report any suspicion, or evidence that there has been a breach of my personal security in relation to access to the internet or ICT systems, to the Director of eLearning.
- All passwords I create will be in accordance with the school e-safety Policy. I will ensure that I use a suitably complex password for access to the internet and ICT systems.
- I will not share my passwords.
- I will seek consent from the Director of eLearning / Headteacher prior to the use of any new technologies (hardware, software, cloud-based services) within school.
- I will not search for, download, upload or forward any content that is illegal or that could be considered offensive by another user. If I encounter any such material I will report it immediately to the Director of eLearning / Headteacher.
- I will take a professional and proactive approach to assessing the effectiveness of the internet content-filtering platform in relation to the educational content that can be viewed by the pupils in my care.
- I will not attempt to bypass any filtering and/or security systems put in place by the school. If I suspect a computer or system has been damaged or affected by a virus or other malware, I will report this to the Director of eLearning.
- I understand my personal responsibilities in relation to the [Data Protection Act](#) and the privacy and disclosure of personal and sensitive confidential information.
- I will take reasonable precautions to ensure that any devices (laptops, tablets, cameras, removable media or phones) are stored in a secure manner when taken off site (car / home/ other location). Devices will not be stored in a car overnight or left in sight when not in use, e.g. by an open window or on the back seat of a car.
- I will only use school-owned or provided portable storage (USB sticks, SSD cards, portable hard drives etc).
- I will ensure that any personal or sensitive information taken off site will be situated on a school-owned device with appropriate technical controls such as encryption/ password protection deployed.
- Any information asset, which I create from other information systems, which could be deemed as personal or sensitive will be stored on the school network and access controlled in a suitable manner in accordance with the school data protection controls. (For example spread sheets/other documents created from information located within the school information management system).
- I will not download or install any software from the internet or from any other media which may compromise the school network or information situated on it without prior authorisation from the Director of eLearning.
- I understand that the use of computer systems without permission or for inappropriate purposes could constitute a criminal offence under the [Computer Misuse Act 1990](#) and breaches will be reported to the appropriate authorities.
- I understand that my use of computers, laptops, tablets, files, communications and internet activity may be monitored and checked at all times to protect my own and others' safety, and action may be taken if deemed necessary to safeguard me or others.

Social Networking

- I must not talk about my professional role in any capacity when using personal social media such as Facebook, Twitter and YouTube or any other online publishing websites.
- I must not use social media tools to communicate with current or former pupils under the age of 18.
- I will not use any social media tools to communicate with parents unless approved in writing by the Head Teacher.
- I will set and maintain my profile on social networking sites to maximum privacy and give access to known friends only.
- Staff must not access social networking sites for personal use during school hours.
- If I experience any derogatory or slanderous comments relating to the school, colleagues or my professional status, I will take screenshots for evidence and escalate to the Director of eLearning.

Managing digital content

- I will demonstrate professional, safe and responsible behaviour when creating, using and storing digital images, video and sound within school.
- I will only use school equipment to create digital images, video and sound. Digital images, video and sound will not be taken without the permission of participants; images and video will be of appropriate activities and participants will be in appropriate dress. No resources will be published online without the permission of the staff and pupils involved.
- Under no circumstances will I use any personally-owned equipment for video, sound or images without prior consent from a member of the Senior Leadership Team.
- When searching for images, video or sound clips, I will ensure that I or any pupils in my care are not in breach of any [copyright licencing](#).
- I will ensure that any images, videos or sound clips of pupils are stored on the school network and never transferred to personally-owned equipment.
- I will ensure that any images taken on school-owned devices will be transferred to the school network (storage area/server) and deleted as soon as possible from the memory card.
- I will model safe and responsible behaviour in the creation and publishing of online content within the school learning platform and any other websites. In addition to this I will encourage colleagues and pupils to adopt similar safe behaviour in their personal use of blogs, wikis and online publishing sites.

Email

- I will use my school email address for all correspondence with staff, parents or other agencies and I understand that any use of the school email system will be monitored and checked. I will under no circumstances use my private email account for any school-related business.
- Communication between staff and pupils or members of the wider school community should only take place via my school account, should be professional and related to school matters only.
- I will ensure that any posts made on websites or via electronic communication, by either myself or the pupils in my care, will not damage the reputation of my school.
- I will seek permission if I need to synchronise any school email account with a personally-owned handheld device.

- I will take care in opening any attachments sent by email. I will only open emails and associated attachments from trusted senders.
- Emails sent to external organisations will be written carefully and if necessary authorised before sending to protect myself. As and when I feel it necessary, I will carbon copy (cc) the head teacher, line manager or another suitable member of staff into the email.
- I will ensure that I manage my email account, delete unwanted emails and file those I need to keep in subject folders.
- I will access my school email account on a regular basis to ensure that I respond in a timely manner to communications that require my attention.

Mobile phones and devices

- I will not use any personally-owned mobile device to take images, video or sound recordings.

Learning and teaching

- In line with every child's legal entitlement I will ensure I teach an age appropriate e-safety curriculum.
- I will support and promote the school e-safety policy at all times. I will model safe and responsible behaviour in pupils when using ICT to support learning and teaching.
- I will ensure that I am aware of my individual responsibilities relating to the safeguarding of children within the context of e-safety and know what to do in the event of misuse of technology by any member of the school community.
- I understand the importance of respecting and acknowledging copyright of materials found on the internet and will model best practice in the creation of my own resources at all times.

Agreement

I have read and understood the implications and my personal responsibilities in relation to the use of ICT equipment which is detailed within this policy.

I understand that if I fail to comply with this Acceptable Use Policy agreement, I could be subject to disciplinary action.
